Valentine Happy Hour

Over 100 SV residents joined in the revelry at the Clubhouse for our Valentine Happy Hour. Doc's Riverside Grille prepared a very tasty menu: a tossed green salad, potato salad, chicken salad, sliced prime beef au jus, and brownie a la mode for dessert. Doc's owner, Bo, also provided music that got folks up and dancing the entire evening. SV credo for a good time – great food, great music, and dancing! Was this a fun night or what? These pictures say it all. Go to our Website to see more pictures and to our Picture Directory to discover “who’s who?” A big **Thanks** to Lee Ettman and her helpers for organizing this very special Valentine Happy Hour.

OUTREACH

House Tour??

The Outreach Committee is looking into possibly having a House Tour in the spring of 2013. Toward that end, we need help with the different facets of the event. If you would like to put your house on the Tour, or are interested in being the House Tour chairperson or Tour Home coordinator, or would like to help with marketing, ticket sales, designing the brochure, or helping in general, please call **Carlene Cooke** at 443-262-8146 or email her (carlene.cooke@gmail.com).

Neighbor to Neighbor

Please join with me in welcoming Linda Gardner back to Neighbor to Neighbor. Linda will join Nancie Cameron and BJ McClueb as a Street Captain for the 800 block of Harmony Way. Please remember that if you aren't sure who is serving as a Street Captain for your street or block, you can always find that information on the [SV Website](#). Look for the "Neighbor to Neighbor" link under "Activities/Groups." – *Eleanor Strietman*

Outreach's spring service project will be to collect items on Hospice of Queen Anne's Wish List. Children (ages 4-6) may participate in a one-day camp. **Collection will take place Monday, April 16, through Sunday, April 22.** Delivery to Hospice will be on Monday, April 23.

Nancie Cameron coordinated the Wish List with Hospice. The following items are on the Wish List specifically for **Camp New Dawn**:

Thanks for encouraging companies to advertise with us.

CLUBS and CLASSES

GAZEBO and VICTORY GARDEN CLUBS

*Spring is sprung, the grass is ris,
Do you wonder where the flowers is?*

Gazebo Garden: The crocuses have bloomed, and a few daffodils have blossomed. We had a very successful first meeting under our new leader, Steve Guy. All 20 beds in the Gazebo Garden now have caretakers.

Hooray! However, Steve has agreed to tend three beds, and two residents are each caring for two beds. It would be helpful if some other residents would step forward to be caretakers for some of the beds. Please contact Steve or Jack if you are willing to help. No experience required! We will teach you the ropes!

Several members have already started weeding their beds and are planting new flowers. We have ordered two loads of mulch, and Don Downey has volunteered to assist anyone who needs help with mulching their bed. Don has also repaired our garden cart, and trash bags are available in the gazebo for disposing of weeds. Jack will haul the trash away. Jack will still take care of the large pavilion flower bed. Steve will notify all caretakers by email or phone about the next meeting.

Victory Garden: Dave Peterson has gotten the tiller repaired and will till the Victory Garden in time for the traditional St. Patrick's Day planting. Peas, potatoes, and spinach are early favorites. Right now all we have are lots of stones, but we will have lots of tomatoes and eggplant to share during the season! – *Jack Hennessey*

QUILT CLUB

The Symphony Village Quilt Club has been busy this year making children's quilts for "Project Linus," a charity organization which gives quilts to sick children. We completed 10 quilts and plan

to make more this spring. Our next charity project will be pillowcases for "One Million Pillowcases Challenge." We had a great time together working on the quilts. – *Betty Gingerich*

READING FOR FUN BOOK CLUB

The Reading for Fun Book Club met on February 21 at the Clubhouse to discuss the book *The Kitchen House* by Kathleen Grissom. This book was recommended by Lee Ettman, who led the discussion and also provided a delicious lemon cake and coffee for dessert.

The story tells of an orphaned Irish immigrant, Lavinia, who has no memory of her past. She is put to work as an indentured servant, working with slaves in the Kitchen House on a Virginia tobacco plantation. The book relates much of the harsh treatment of slaves by their masters. Lavinia eventually becomes Mistress of the big house, and struggles to help the slaves by whom she was raised. On a scale of 1 to 10, this book received a rating of 7.92.

Pat Loiacano has selected *House of Riverton* by Kate Morton as the book for our March 20 meeting. Grace, a former servant in the house, is interviewed by an actress who has been chosen to play the part of Grace in a forthcoming movie about the mansion. Grace recalls many of the festive affairs and often startling events which occurred at the mansion. Numerous interesting characters are introduced throughout the story, which is a recommended read.

All Symphony Village residents are invited to sit in on the discussions, to share in the dessert, and to join the Book Club. –*Jack Hennessey*

SNEAKERS

Dr. Seuss Day in February was a great success. Our volunteers went to two schools, Kennard and Centreville Elementary. Eight volunteers were at Centreville. Each volunteer read a book to three classes at the school, and a book was given to each child in the class. This was the first time we were involved in a book giveaway at this school. The volunteers really enjoyed participating in Dr. Seuss Day, and we were delighted to see many new volunteers join us in this very rewarding activity.

There were 13 volunteers at Kennard. At this book giveaway, each student in the school chose a book and read a page from that book to a volunteer to be sure the child was on the correct reading level for that book. The students and the volunteers always enjoy this giveaway.

There will be two more giveaways – Pastries for Parents on Thursday and Friday, May 3 and 4, from 7:30 - 9 a.m. Our last giveaway for the school year will be on Monday, June 4, in the morning. We welcome all volunteers for these events.

There will be a meeting on Wednesday, April 18, at 3 p.m. Linda Farrar will preside.

TENNIS

Tennis Time

The March winds will bring warmer temperatures so it's time for tennis and a meeting to discuss our 2012 activities. Let's meet Tuesday, March 20, at 7 p.m. in the Clubhouse (banquet room). The main meeting topics are:

- 1) Schedule regular court times (Last year we scheduled tennis at 5 p.m. on Tuesdays and Thursdays and at 9 a.m. on Saturdays.)
- 2) Identify and invite additional Symphony Village tennis players.
- 3) Schedule spring dinner at a restaurant of choice.

I reserved the meeting room and will add the meeting to the daily calendar. See you on the courts and on March 20 at 7 p.m. – *Larry Miller* (443-262-8270 or LARRYRMILLER@atlanticbb.net)

BE A VOLUNTEER IN ACTION

HOSPICE PATIENT VOLUNTEER TRAINING CLASS

Hospice of Queen Anne's will be offering Patient Volunteer training to anyone interested in working with Hospice patients and their families. The training will take

place on April 10, 12, 17, and 20 from 10 a.m. – 3 p.m. each day at Hospice of Queen Anne's here in Centreville. This training is designed for the individual who has an interest in working directly with patients and their families. The comprehensive training covers topics including an overview of hospice, spiritual care, listening and communication, death and dying, family dynamics, and more. As a patient volunteer you will provide companionship for the patient by sitting with them, listening to them, sharing stories, reading to them, watching TV, playing cards, preparing a meal, writing a letter, or just holding their hand. Your time also allows family members to take a break from being a full-time caregiver and allowing them time to run errands, go for a walk, or simply take a nap. If you are interested in becoming a patient volunteer, please contact Jen Thomas at 443-262-4112 or jthomas@hospiceofqueenannes.org.

Help For a Cold Bathroom

by Bob Offerman

A significant amount of heat is lost through the glass block windows in SV bathrooms, making them chilly compared to the rest of the house.

On a cold night, the difference in temperature between the windows and the adjacent outside wall is 8-9 degrees F. Since the surface area of the windows is large, this results in a significant heat loss.

An easy solution is to create your own "double pane" window by cutting a piece of clear 1/8 inch thick acrylic plastic to lay over the glass blocks, covering them to the inside edge of the window frame. I attached mine using 6 round head 3/4 inch #10 screws with white Phillips heads.

The result is almost invisible and yields a window temperature that is only about 3 degrees F colder than the adjacent wall. The bathroom is noticeably warmer, especially in the morning.

To build mine, I purchased a 4x8 foot sheet of clear acrylic (Sku 4818 CTC) from Harbor Sales in Sudlersville for about \$70. This is enough to do the two bathroom windows in a Gershwin. The screws are available at Price and Gannon, and are called “window screws”.

The acrylic is easy to cut and drill – just be sure to use a fine tooth (80-tooth) blade in your Skil saw. I also installed similar “double panes” in the semicircular windows in our solarium, with great results. If you’re interested in doing the same, call Bob Offerman (410-758-2841) for directions on how to mark these pieces for cutting – note these windows are *not* semicircles, they’re *elliptical*.

Carl Collins Shatters SV Bowling Average !

by George Drake

Name	1	2	3	4	5	6	7	8	9	10	Total
GEORGE	10	10	10	10	10	10	10	10	10	10	100
CARL	9	9	9	9	9	9	9	9	9	9	99

On February 15, the SV duckpin bowlers amazingly watched as Carl Collins almost continually knocked down 9 pins with his first ball and then got a spare with the second ball. He bowled mark after mark for a total in two games of 15 spares and one strike. This resulted in final scores of 159 and 155. Just think what those scores would have been if that tenth pin had only fallen down a few more times.

Congratulations Carl!

To say Carl “was in the groove” that day is an understatement! Honestly, no ball touched a gutter guard – they just curved into the pocket. Carl’s scores were an exception for the SV afternoon duckpin bowlers. Most of us are real, real happy with a score of 100 (okay, so the other game is 80 something – so what?)

Why not join us? We meet at the SV Clubhouse parking lot to carpool to the Queen Anne’s alleys in Kingstown. You get two games, shoe rental, pizza or hot dog, and a medium soda for only \$6 – now that’s a bargain, and we have a lot of fun as well!

New Day & Time to meet for Bowling–[Thursdays at 3:30 p.m.](#) (See Daily Bulletin for details.)

Project Clean Stream 2012

As residents of the Chesapeake Bay/Corsica River watershed, Symphony Villagers can play important stewardship roles in maintaining the health and well being of the Bay and its tributaries. Many of us were attracted to this community because of the surrounding protected forest and streams which meander along the periphery of Symphony Village and flow into Mill Stream, which feeds into the Corsica River. Unfortunately, the Corsica River remains on Maryland’s list of impaired polluted waterways under the Clean Water Act.

The Corsica River Conservancy is sponsoring its annual **Project Clean Stream** on **Saturday, April 14**, this year. Volunteers spend three hours from 9 a.m. – 12 noon removing trash from streams

which feed into the Corsica River in addition to areas along the stream banks. One of those sites is at the Symphony Village bioswale/stream area.

If you are interested in participating in this fun and eco-fulfilling activity, please contact Betty McAtee at 410-758-2443.

Gunston School “Farm to Fork” 19th Annual Spring Auction

**Silent
Auction**

Symphony Village residents are cordially invited to attend Gunston School’s “Farm to Fork: Gunston Celebrates Local Living” Spring Auction fundraiser on **Saturday, April 14, 6 p.m.**, in the Gunston School Field House. There will be music and dancing, an iPad2 raffle, and food stations and bar. The silent auction features new iTouch automated bidding devices, distributed to each couple as they enter. You can enter a maximum bid for each item (just like eBay), and you will be notified immediately when you have been outbid. Auction items will range from wine bottles and gift certificates to vacation getaways, themed packages, and more. A leader board will display real-time results, so that you can see current bids on all of the auction items. The result – a fun, interactive, social event that allows you to keep a watchful eye on your items. Attire is casual elegant; denim is welcome. Go to [Spring Auction](#) to purchase tickets, to view auction items, and to learn how to use BidPal before the event. This event will support faculty, students, and Gunston programs.

An Introduction to Our Native American Neighbors

It may never have come to the attention of many of us that we have within our area a number of Native American groups that actively keep their traditions alive. This is a resource we should explore. Fortunately Anne Nielsen, a master photographer who lives in Centreville, took on the project of locating and then photographing a number of such Native Americans who make their home on the lower portion of Maryland’s eastern shore. Exhibitions of these photographs have always met with great acclaim. Using these photographs, with Ms. Nielsen’s help and the cooperation of the Maryland Commission on Indian Affairs, the Queen Anne’s County Historical Society is offering a presentation about our Native American neighbors and a review of the unique dual citizenship many Native Americans enjoy. A special invitation to attend has been extended to local Native American leaders so the audience will have the opportunity to hear directly from them. The presentation will take place on **Sunday, March 18, 3 p.m.**, at St. Luke’s Church (7208 Main Street) in Queenstown. The event is free and open to the public.

Centreville, Symphony Village, & the National Wildlife Federation

Do you enjoy watching the wildlife that visits your yard? Do you garden for wildlife? Do you have a Rain Garden? Your yard may already have all the requirements to have your home certified as a Wildlife Habitat by the National Wildlife Federation.

Centreville has registered with the National Wildlife Federation (NWF) to work toward becoming a certified Community Habitat. Part of the community certification process involves certifying individual properties within the community as Wildlife Habitat. SV residents can help greatly with this effort by having your yard certified if you meet the basic requirements of providing food, water, cover, and places to raise young for wildlife.

The NWF Habitat Certification Application asks you to check off the categories of habitat that your yard provides. Limiting the list to items that SVers may already provide:

- **FOOD:** Minimum requirement is 3 items:
Plants: seeds, berries, nectar, nuts, fruits, pollen;
Supplemental Feeders: seeds, hummingbird, suet, butterfly;
- **WATER SOURCES:** Minimum requirement is 1 item:
Birdbath, shallow dish, rain garden, water garden/pond;
- **PLACES FOR COVER:** Minimum requirement is 2 items:
Evergreens, dense shrubs, ground cover, water garden/pond; and
- **PLACES TO RAISE YOUNG:** Minimum requirement is 2 items:
Nesting box, dense shrubs, host plant for caterpillars, water garden/pond, mature trees.

The cost to apply for certification is \$20. If your yard is certified, you will receive a certificate, a one-year membership to the NWF which includes a subscription to **National Wildlife** magazine, and a subscription to *Wildlife Online*.

Application is easy. Go to www.nwf.org/gardenforwildlife and apply on-line, or contact Carol Hellmann or Linda Blume here in SV for a hard copy of the application form. Certifying your yard earns points toward Centreville's community certification.

In April, the **Queen Anne's Chorale** will present its annual spring gala entitled, "A Musical Menagerie." Before the concert begins, balloon artist, Steve Gambrill, will meet and treat guests in the lobby with his balloon animals.

Date: Saturday, April 21, 2012, 7 p.m.

Location: The Todd Performing Arts Center, Chesapeake College, Wye Mills, Maryland

Tickets for this concert are \$15 for adults; children through high school are admitted free.

Tickets can be purchased at the door or through Chorale members.

The venue is handicapped accessible.

RESTAURANT REVIEW *by Karin Anne Larsen*

COLOSSEUM PIZZA

Colosseum Pizza may not be located in the center of ancient Rome near the 2,000 year-old ancient Colosseum, but it reminds me of the delicious pizza I ate while in Rome and Venice. Salvatore Grande, owner/chef, from Naples, Italy, has owned and operated this “Italian Specialty” restaurant since 1993.

Mr. Grande creates each pizza from scratch and hand tosses it, just like they did in Italy.

Pizzas’ available are *thin crust pizza* and *Sicilian pizza* which is thick and square. When you bite into these pizzas, you can taste fresh ingredients. The taste of the sauce, not too tangy or sweet, and the crispy crusts are two reasons I like the pizza here.

There are gourmet pizzas and Italian specialties. Some favorite subs that you may like are the *Meatball Parmigiana*, the *Sausage and Peppers*, and any of the *Steak and Cheese subs* with all the goodies such as mushrooms, green peppers, and fried onions. The side orders and salads are consistently good and don’t forget to try the yummy *Garlic Knots*.

Some of my favorite orders are the *Pizza Roll*, consisting of pepperoni, sausage, green peppers, onions, mushrooms, sauce, and mozzarella. Also delicious is the *Baked Ziti*, the *Manicotti*, and the *Eggplant Parmigiana with Spaghetti*. If you’re treating yourself to dessert, sample the *Italian Cannoli*. Sampling all of these choices will take a long time!

So, if you cannot get to the center of ancient Rome, simply leave SV, hop on your bicycle to North Commerce Street, and sample the fresh ingredients and homey cooking of Chef/Owner Salvatore Grande and family.

Colosseum Pizza is located at 112 North Commerce Street, Centreville, MD. 21617. The telephone number is 410-758-1800. Prices are reasonable.

Here's What Symphony Village
Residents are saying:

"As a member of Centreville's Planning Commission, I have seen Tim McCluskey demonstrate leadership every day of his term as town councilman. I want to keep Tim McCluskey on the town council because of his leadership, innovation, work ethic, knowledge of town issues and fierce dedication to moving the town forward with a responsible, fiscally sound approach."
— Carol Heilmann

"I endorse Tim McCluskey for re-election to the Centreville Town Council. Prior to his current term on the Town Council, I served with Tim on the Town's Planning & Zoning Commission where he was a great asset with his energy and drive. During Tim's Town Council term and current year as President, the town has begun to move forward."
— Jim Cooke

"Do you have a question about something in the town of Centreville? Glorja and I did and Tim was quick to find our answer (about a handicapped parking space). Not only was the question answered but promptly researched and corrected."
— Andy & Glorja Cowley

"Under his leadership, and with the help of others, Tim was able to bring the revitalization of the Centreville Wharf area to fruition. Centreville has recently been designated a "Main Street Community". It is vital that we have a person on our town council with Tim's experience to help lead this project forward. HE CARES!!"
— Ellen Norman

"Tim's energy, enthusiasm and genuine interest in working toward constructive and fair solutions for our town and community made a positive impression on us. Thanks so much for being there for us."
— Doug and Rose Anne Puls
