Symphony Village's Newsletter

May 2014

Vol. IX - No. 5

MISSION STATEMENT: To enhance the quality of life and promote a harmonious community through the timely publication of accurate information about residents, events, and activities in and around Symphony Village.

MUSINGS FROM THE BOARD

As we near the summer season and more residents start using the Clubhouse and its amenities such as the outdoor pool, please treat the Clubhouse and everything associated with it as you would your own home. There is a copy of the Clubhouse rules posted on the bulletin board by the front desk and also on the [Village Management](#) web page. If you need to know about pool hours and when your grandchildren can use the pool, that information is listed. Please make sure that you accompany your guests when they are in the Clubhouse or using any of the outdoor facilities.

A word about the automatic front door: Please let it open and close on its own. If you need to hold a door open for any reason, use the non-automated side closest to the front desk.

OUTREACH – *Carlene Cooke, President*

New Neighbor to Neighbor Chairperson

Eleanor Strietman, Judy Fisher, Ellen Miller, Christa Fookes, Teri Nudo, Anita Dell

Marge Strano was appointed at the March Outreach meeting to succeed Eleanor Strietman as Chair of Neighbor to Neighbor. The Outreach Committee wishes to extend sincere thanks to Eleanor for her invaluable service as Chair for the last five years. Under her leadership, the committee has provided support to numerous families in the Village. She instituted many procedures and practices that will continue to be invaluable to the committee as they support SV residents. Outreach is fortunate to have had Eleanor as head of Neighbor to Neighbor.

Outreach and Camp New Dawn

Outreach recently received several questions about having another spring service project to collect items to be donated to Camp New Dawn.

Outreach will sponsor one camper this summer (with a \$200 donation), but we will not be having a service project. If you have already purchased items that you intended to donate, please take them directly to Hospice of Queen Anne's (255 Comet Drive, Centreville), telling them that you intend the donation to go to Camp New Dawn. If you would like to make a monetary donation, you can always designate it for Camp New Dawn if you wish. For any questions about Camp New Dawn, please contact Rhonda Knotts, 443-262-4109, rknotts@hospiceofqueenannes.org.

Summing Up: The First Annual Ladies Spring

Butterfly Tea – Loretta Quigley, Event Chair

On April 26, Outreach was blessed with a beautiful warm and sunny Saturday for our First Annual Ladies Spring Butterfly Tea. Fifty-six people attended, including several granddaughters of residents. The room was resplendent in spring color with a butterfly motif.

**Please join us

Ladies arrived attired in favorite hats and outfits, and our younger ladies were all in favorite party attire and dresses. A profit of nearly \$1,200 was realized, which will go to the various county agencies and organizations with whom Outreach partners throughout the course of the year.

A team of workers transformed the ballroom into a wonderful café where the patrons were served steaming pots of tea, mini-sandwiches, scones with clotted cream and jam, and sweet treats. The two-hour event was warmly received, and plans are underway to find a date for the Second Annual event.

Many thanks to all those who made this day special and to all those who attended or graciously sent their donations. Your support continues to buoy us as we look for ways to create a wonderful event and raise monies for worthy recipients.

Neighbor to Neighbor

I congratulate Marge Strano on her recent appointment as the new Chairperson of "Neighbor to Neighbor." I am certain that "Neighbor to Neighbor" will flourish under her capable guidance and leadership.

I would be remiss, however, if I did not once again publicly thank the "Neighbor to Neighbor" Street Captains for all they do. They are ready to help when troubles and sorrows come and eager to share in life's joys and happiness. It was both a great privilege and a pleasure to serve as the chairperson of this remarkable group of dedicated and compassionate women. Eleanor Strietman

Bingo Update

Since no one captured the \$275 jackpot at Bingo on May 9, Outreach will have another game on **Friday, June 13**, 7 p.m. The jackpot will then total \$300. The June game will be the last until September 12. If no one wins the jackpot in June, it will be worth \$325 in September.

CLUBS AND CLASSES

BIRD CLUB – Linda Blume

Three members of the Bird Club ventured to the Chesapeake Bay Environmental Center on May 2 to go on a Bird Walk as part of Birds of a Feather Weekend. We didn't actually see many of the expected "Woodland Chirpers," but we did see over 20 bird species, including a pair of Caspian Terns (a first for me) and a Black-and-White Warbler (another first for me) (pictured). The trail was very soggy in places after the days of rain earlier in the week, but at least the floodwaters had mostly receded. We had dinner at Fisherman's Inn afterward to cap off a nice outing. Watch the Activities Book for future trips, and if you'd like to be added to the Bird Club's email group, please contact me.

DINING IN – Nancy Pashby

Please join us for Dining In on Sunday, June 1. We enjoy good food and conversation in our homes. All are welcome, including new neighbors and singles. Sign up in the Activities Book at the Clubhouse. Questions? Call Nancy Pashby at 443-262-8757.

GAZEBO AND VICTORY GARDEN – Steve Guy and Jack Hennessey

On Saturday, April 26, four of the gardeners met to start spring cleanup. We are fortunate to have a pile of mulch provided for us by the landscaper, thanks to Dennis and Nancy. Many perennials are coming in along with the ever tenacious weed population. Several of the twenty plots are looking ready for the season.

At this time we have nine people agreeing to manage the garden and they are working 15 of the 20 plots. Five plots have no one assigned as four gardeners from last year have dropped out. Sue Canfield is our one new member this year. With new residents pouring into the community, we should be able to build up our ranks. All persons interested in the joy of watching plants grow are invited to join in. No knowledge is required; we are all learning as we go and having great camaraderie.

Current members are Carl Collins, Dan Battista, Helena Joy, Jack and Joan Hennessey, Jim O'Connell, Lois Labs,

Sue Canfield, and Steve Guy. Please contact me for more information: Steve, 301-641-8728, sfguy@atlanticbb.net. I apologize again for accidentally giving a plot to two different people. Oops! All is sorted out now. Here is the diagram. The five unassigned plots have “X’s.”

The Victory Garden has been tilled twice by Dave Peterson. Eight plots have been laid out for the members who have signed up. To date, only greens and radishes have been planted. May 10 is the planned date for planting tomatoes, beans, squash, and other veggies selected by the gardeners. As in past years, many residents will continue to share in the bountiful harvest, especially of tomatoes and squash.

Good news! Three of the five SV purple martin houses have been occupied. Five pairs of martins have been nesting in the gazebo apartments. It is estimated that the first brood of martins will hatch about May 15. All residents are invited to sit in the gazebo to watch the martins perform their aerial acrobatics. The best time to watch is either 7 a.m. or 7 p.m. Our resident expert in Easton claims that his first broods of martins have already hatched. We are envious! We should have two brooding periods.

READING FOR FUN BOOK CLUB – Jack Hennessey

The book for our May 20 meeting is *The Light between Oceans*, by M.L. Stedman, recommended by Joan Hennessey. In short, this is a wonderful love story. The light referred to is a lighthouse off the coast of Australia, between the Indian Ocean and the Great Southern Ocean. Tom Sherbourne, a WWII veteran, accepts the job as lighthouse keeper. The only contact with the mainland is a supply boat that comes once every three months. Tom brings his new wife, Isabel, to join him on Janus Rock, where the lighthouse is located. After three miscarriages, Isabel finds a live infant and the infant’s dead father

on a shipwrecked boat washed ashore near the lighthouse. Isabel regards the discovery of the infant as a gift from heaven. Tom is smitten by the baby, whom they name Lucy. However, Tom feels it is his duty as keeper of the light, to report their find. When the couple returns to the mainland, they learn that Lucy’s mother is living in the community. Read this wonderful novel to find out how the situation is resolved. All residents are invited to attend the book discussion in the Clubhouse on May 20 at 7 p.m., and to share in a delectable dessert! Incidentally, we will welcome two new members during this meeting.

Pat Kindle has recommended *Call Me Zelda* by Erika Robuck for our June 17 meeting. Erika will try to attend this meeting, but she is very busy with another new book.

LUNCH BUNCH

The Lunch Bunch will meet on Thursday, June 12, at 12:30 p.m. at the Severn Inn, 1993 Baltimore Annapolis Boulevard, Annapolis, Maryland 21409. The sign-up sheet is in the Activities Book at the Clubhouse. If you need a ride or have a question, please call Marge Strano at 410-758-2511 or Bea Trotta at 410-758-0332. Call for Volunteers: 2014 Camp New Dawn

Hospice of Queen Anne's will again host [Camp New Dawn](#) this summer. This camp takes the essential ingredients of summer camp – fun – food – friendship -- activities that help children and teens express what it feels like to lose someone they love. Camp New Dawn is a three-day, two-night retreat for children and teens who are grieving after the death of an important loved one. Campers learn healthy coping skills that will benefit them throughout their lives.

Please consider volunteering your time and talents during this camp. There are many areas where you can volunteer for a few hours or more: be a buddy, set up, clean up, cook out, assist with crafts, daily activities, and the Talent Show, and many others opportunities. Camp will be held **August 9-11** at Camp Pecometh, just north of Centreville, on the Chester River. A Volunteer Application is on the website. You may contact Rhonda Knotts, 443-262-4109, rknotts@hospiceofqueenannes.org, for more information on Camp New Dawn. If you cannot volunteer, but would like to make a donation, contact Kenda Leager, 443-262-4106, kleager@hospiceofqueenannes.org.

Spring smiles are all the rage!

Capture your youthful smile at Smiles by Holsinger & Higgins, a full service dental practice for adults only. We provide all your general, sedation and cosmetic dentistry needs in a relaxing, spa like setting. We also house a TMJ Diagnostic and Imaging Center.

5 things to know before making a sedation dentistry appointment

- 1. You are not alone.** An estimated 90 million Americans forego routine dental care due to fear. The dentists and staff at Smiles by Holsinger & Higgins are caring and compassionate, and do not judge. Their only concern is to help you get the care you need.
- 2. Training differs from state to state.** Sedation dentistry certification requirements and regulations vary from state to state. In Maryland the State Board of Dental Examiners requires a dentist to perform 24 hours of instructive classroom training with 20 clinical patient experiences and obtain a Class 1 permit. Advanced Cardiac Life Support certification or board-approved airway management training is also required. In Delaware clinical course training is required, but not life support certification.
- 3. Experience matters.** Find out how long the dentist has been providing sedation dentistry and if he or she pursues continuing education to keep his/her skills up to date.
- 4. Customizable treatment is available.** Laughing gas or nitrous oxide was the most commonly used sedation technique in dentistry. Now a whole set of choices are available under the sub-category of dentistry now known as sedation or sleep dentistry. In some cases a dentist may combine a couple different types of treatments to customize best results for a patient.
- 5. You can test drive the practice with a free consultation.** Scheduling a free consultation may be the first step toward making your first dental appointment. The consultation is a great opportunity for you to check out the office setting as well as the dentists in a no pressure atmosphere.

Monarch Butterflies Need You! -- Linda Blume

I recently attended "Milkweed for Monarchs," a presentation given by Jim Wilson at the QAC Library. Monarch butterflies are in decline. The monarchs that we see here in Maryland overwinter in Mexico. In 1996, over a billion monarchs overwintered there; in 2013, that number decreased to 33 million, a record low; and that is a decrease of 97%.

We can't do anything about some of the reasons for the decline: drought (milkweed plants die), cold springs (fewer butterfly generations), more acreage put into farming (loss of habitat for milkweed to grow), use of insecticides for crop pests (that also kill butterflies), etc. But we can do one very important thing: include plants in the milkweed family in our gardens. Monarchs need milkweed to survive. The caterpillars will only eat those leaves. If eggs are laid and hatch on any other plant, the caterpillars will die. Without milkweed, there would be no monarch butterflies.

There are many varieties of milkweed, but these are easier to find: Tropical Milkweed/Bloodflower (*Asclepias curassavica*, an annual), Common Milkweed (*Asclepias syriaca*, a perennial), Swamp Milkweed (*Asclepias incarnate*, a perennial), and Butterfly Weed (*Asclepias tuberosa*, a perennial).

It is also important to plant nectar plants for the adult butterflies. A good source list can be found online at [Recommended Nectar Plants](#). These plants also attract hummingbirds.

Hackerman-Patz House – Mary Scull

This is a great place to stay when you are having treatments at Anne Arundel Medical Center.

- When your spouse or significant other is in the Medical Center.
- This facility is located across the street from the Medical Center and the rate is reasonable.
- Each room has a mini refrigerator, telephone, internet, cable TV, and DVD player.

I stayed at the Hackerman-Patz House when Tom had his back surgery. We went the day before so he would arrive rested. It was very convenient for me because I could go there for a break during the day and at the end of the day I did not have to drive very far – just across the street. The manager and the volunteers were very helpful. I highly recommend it.

RECIPE OF THE MONTH

from the kitchen of Barbara Locke

At the March Ladies' Happy Hour where we served different kinds of chili, many ladies asked for this recipe.

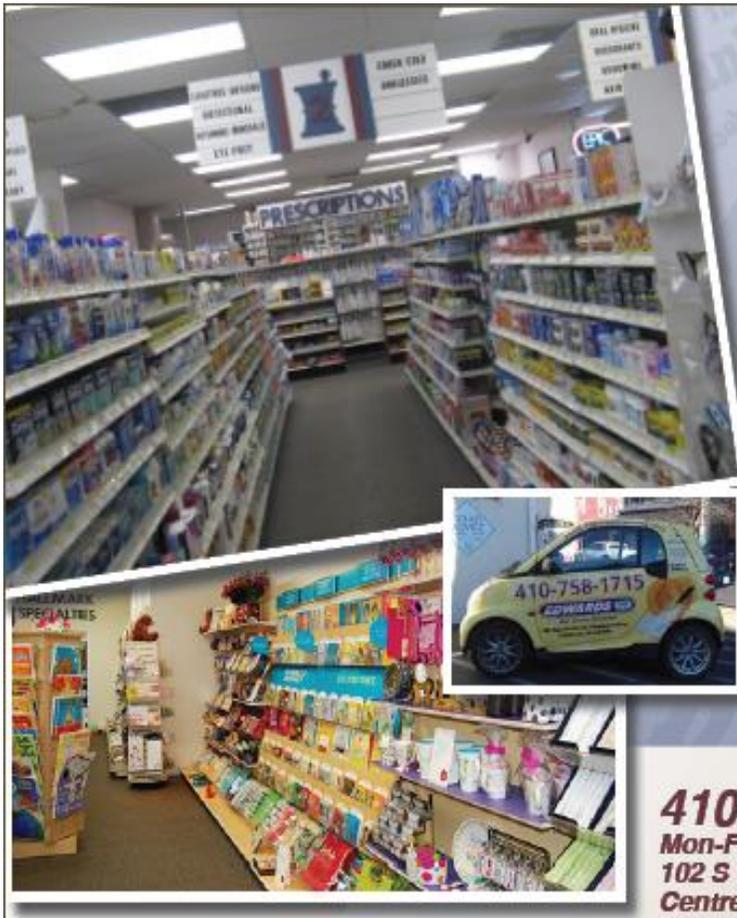

White Chicken Chili

2 T. olive oil
1 medium onion, chopped
3 T. flour
2 tsp. cumin
1 can (16 oz.) navy beans
1 can (16 oz.) cannelloni beans

2 cups chicken broth
1 can chopped green chilies, drained & strained (remove seeds)
1 ½ cups shredded chicken breast (or more)
Shredded Monterey Jack cheese (topping)
Chopped cilantro (topping)

- Cook onion in olive oil about 3 minutes until translucent.
- Add flour and stir until mixture is thickened.
- Add next 5 ingredients and simmer for about 2 hours. May need to add more chicken broth.
- Add chicken breast and simmer on low until you want to serve the chili.
- Serve in bowls with the toppings.

I cook the chicken breasts in a pressure cooker 30 minutes. When done, they are easy to shred with a fork. Or they can be simmered for 2 - 3 hours. I cook them in chicken broth and re-use the broth.
